

SIFF Cinema sponsors are offered the opportunity to have year-round interaction with SIFF's 10k+ monthly filmgoers. SIFF Cinema provides daily film programming on five screens in three SIFF-operated Seattle-based theaters: SIFF Cinema Uptown, SIFF Cinema Egyptian, and SIFF Film Center. Our SIFF programming includes a variety of art-house films, blockbuster releases, and one-of-a-kind event screenings designed to engage, entertain, and enlighten. SIFF Cinema Sponsorship can also be combined with Film Festival involvement for extra impact. Please see below for an overview of sponsorship levels, benefits and contact information. We look forward to speaking with you.
